

Use your smartphone to shoot a live video of sport games and broadcast it like a Pro

- Scorli and Omni-Stream teamed-up to create a product providing an ultimate experience of sport–games–live-video suitable and affordable for everyone.
- Scorli Scoreboard is integrated into a live video taken by a smartphone. Thanks to the innovative technology of Omni-stream the video taken is of high quality.
- Scorli-V** is used for sport games such as: team sport, multi-sport ; soccer ; racket games, Beach volleyball; Basketball / 3 * 3 and many more sport games.
